I know that running in February in New England can be a major challenge. I know I can be faced with all kinds of inclement weather and temperatures can be well below freezing. I hope it is! I realize that anyone can run 20 miles, but not everyone can run 20 miles in a winter storm, or is willing to run on unplowed bike paths in 4 inches of slush. I accept this challenge, and in consideration of my entry being accepted, I hereby, for myself and my heirs, executors or administrators, waive and release all rights and claims for damages I may have against the Martha's Vineyard Boys & Girls Club, the towns of Tisbury, Oak Bluffs and Edgartown, the Commonwealth of Massachusetts, any and all sponsors, and everyone else on the planet connected with this race for all my injuries incurred before, during, and/or after the Martha's Vineyard 20 Miler.
